

CAST METAL

ENDURING METAL SIGNS FOR SIGNIFICANT IMPACT

Nothing compares to the visual significance and classic impact of our hand-poured bronze and aluminum signs. Each element of an Gemini cast metal sign is hand-poured and finished to ensure the superior quality and premium look of these three-dimensional signs. Perfect for both indoor and outdoor installations, these handcrafted signs are customizable to your exacting specifications, and built to endure for generations.

DEFINITION

Made by pouring molten bronze or aluminum into molds, cast metal sign letters and elements provide sharp three-dimensional detail with customizable face profiles and deep returns.

PREMIUM CAST METAL LETTER SIGNS DELIVER THE VISUAL SIGNIFICANCE AND CLASSIC IMPACT THAT LANDMARK BUILDINGS AND MONUMENTS DESERVE.

IMPACTFUL ICONIC SIGNS

Cast metal signs suit the grandeur of landmark structures and monuments. Crafted from robust aluminum or bronze, these signs resist the elements and retain their classic beauty for generations.

INCREDIBLE DEPTH

Let your sign stand out. Cast metal signs are hand-poured to create custom three-dimensional sign letters and elements up to 3" deep.

BRILLIANT LUMINESCENCE

Add halo lighting to create the perfect illuminated effect that draws attention to your sign any time, day or night. Our UL-certified LED lighting and power supplies ensures your sign meets regulations and safety standards.
